

Jobs Impacts

A 25% RES by 2025 can result in significantly more U.S. jobs supported by the renewable electricity industry.

Source: NCI December, 2009

Notes:

1. Data included direct, indirect, and induced labor
2. Results are for a 25% by 2025 RES compared to no National RES.
3. 1 Job is defined as 1 Full Time Equivalent (FTE).
